

How to make your appointment for the Cheverly Village Flu Clinic

The image displays three sequential screenshots of a mobile application interface for scheduling a vaccine appointment. Each screenshot has a green header bar with the text "OFF SITE Clinic – Maryland" and a close button (X).

Screen 1: A chat bubble at the top says "Please assist with my appointment." Below it, another chat bubble says "Hi, I can assist you with scheduling an appointment at your closest clinic location. If you are using insurance to pay for services, then please have your plan information handy." A "Pick One" section contains two radio button options: "Schedule a new appointment" (selected) and "Manage existing appointments". A "Submit" button is at the bottom right.

Screen 2: A list of vaccine options is shown. The "Senior Flu (65+)" option is checked. Other options include Flu, Pneumonia, Shingles, Chicken Pox, Hepatitis A, Hepatitis B, HPV, Other, Measles, Mumps, Rubella (MMR), Meningitis, Tetanus, Diphtheria (Td), Tetanus, Diphtheria, Pertussis (Tdap), and COVID testing. A date field is set to "10/16/2021" and a ZIP code field is set to "20785". A "Search" button is at the bottom right.

Screen 3: The "Location Results" section shows "Cheverly Village Vaccine Clinic" at "6401 Forest Rd, Cheverly, MD 20785", "1.8 miles away from 20785". A "Schedule" button is highlighted. Other details include "Phone:", "Offerings: Flu, Pfizer COVID-19 3rd Dose, Pneumonia, Senior Flu (65+), Shingles", "Date: 10/16/2021", and "Hours: 9:00 AM-11:00 AM, 11:00 AM-3:00 PM". A "New Search" button is at the bottom.
