

Cheverly Village members vote!

Registration. The deadline for registering to vote or changing your registration is October 13.

- ⇒ To find out if you're registered, to make sure your name and address are up-to-date, and to register if you're not, go to <https://voterservices.elections.maryland.gov/OnlineVoterRegistration/>

Voting by mail: applying for your ballot. If you have received your mail-in ballot application, you need to fill it out and return it to the Board of Elections so they receive it by October 20.

- ⇒ If you have not received your ballot application and you want to vote by mail, you may apply for a mail-in ballot online at the **same link** as above. *Request that the ballot be sent to you by mail, not online.*

Voting by mail: casting your ballot. When you receive your ballot, complete it, sign the **envelope** (*do not sign the ballot!*) and return it to the Board of Elections.

- ⇒ If you mail your ballot, it must be postmarked by November 3.
 - ⇒ Or you can drop it off at any ballot drop box* by November 3 at 8 pm.
- (* See the list of all drop-off locations in the County at <https://www.princegeorgescountymd.gov/559/Board-of-Elections>)

Voting in person on election day, November 3. There will be NO polling places in Cheverly. The Prince George's County Board of Election website (see link above) lists 41 voting centers in the County. You may vote at the location of your choice.

Voting in person early. The Board of Election website (see link above) lists 11 sites in the County for early voting, including nearby Kentland Community Center. These will be open on Monday, October 26, through Election day, 7 am – 8 pm. You may vote at the location of your choice.
